INTRO

VERSE 1

God of creation there at the start
Before the beginning of time
With no point of reference You spoke to the dark
And fleshed out the wonder of light

CHORUS 1

And as You speak a hundred billion galaxies are born
In the vapour of Your breath the planets form
If the stars were made to worship so will I
I can see Your heart in everything You've made
Every burning star a signal fire of grace
If creation sings Your praises so will I

INSTRUMENTAL 1

VERSE 2

God of Your promise You don't speak in vain
No syllable empty or void
For once You have spoken all nature and science
Follow the sound of Your voice

CHORUS 2

And as You speak
A hundred billion creatures catch Your breath
Growing in pursuit of what You said
If it all reveals Your nature so will I
I can see Your heart in everything You say
Every painted sky a canvas of Your grace
If creation still obeys You so will I

INSTRUMENTAL 2

BRIDGE

If the stars were made to worship so will I
If the mountains bow in reverence so will I
If the oceans roar Your greatness so will I
For if everything exists to lift You high so will I
If the wind goes where You send it so will I
If the rocks cry out in silence so will I
If the sum of all our praises still falls shy
Then we'll sing again a hundred billion times

INSTRUMENTAL 3

VERSE 3

God of salvation You chased down my heart
Through all of my failure and pride
On a hill You created the light of the world
Abandoned in darkness to die

CHORUS 3

And as You speak a hundred billion failures disappear
Where You lost Your life so I could find it here
If You left the grave behind You so will I
I can see Your heart in everything You've done
Every part designed in a work of art called love
If You gladly chose surrender so will I
I can see Your heart eight billion different ways
Every precious one a child You died to save
If You gave Your life to love them so will I

OUTRO

: Like You would again a hundred billion times
But what measure could amount to Your desire
You're the One who never leaves the one behind :
