

# **SPIRITUAL CHILD**

## **OVERVIEW**

### **Spiritual Child:**

This phase is characterized by **selfishness**. This can be difficult for someone in this phase to see and/or accept. A spiritual child is adjusting to a whole new way of thinking and living, and will naturally see all of these new ways through the lens of how it affects them first.

### **FOCAL POINT FOR GROWTH: Shifting from being fed by others to feeding yourself.**

#	Topic	Texts
0	Start Here: Surrender	Proverbs 3:5, Luke 9:23, James 4:7-8a
<b>FOUNDATION - LEARNING WHO GOD IS &amp; WHO I AM</b>
