## Financial Policies

1. All financial payments are made solely through our digital platform called Brightwheel. Once your student's registration application is received by the preschool, you will be prompted to join Brightwheel to pay the non-refundable registration fee (\$130) and all subsequent tuition payments.
2. Your registration process is not complete until the non-refundable registration fee is paid. You have 3, business days to pay the registration fee once you receive notification that your student has been placed. If the registration fee is not paid within 3 business days of your notification, the spot will be offered to another family.
3. The registration fee will be waived for members of Embry Hills UMC. Families with multiple students at the school will receive a \$5 monthly tuition discount.
4. Preschool tuition is due on the 10th day of the month prior to the month being billed. For instance, September's tuition is due on the 10th day of August. You will receive an invoice 5 days prior to the tuition due date (in this case, on or about August 5th).
