community ministry update

Throughout the year we were very blessed to be given donations through Alabama Power, Kingwood Christian Child Development Center, Dollar General and so many other businesses.

We are grateful for the extra donations as with the government shutdown and sudden change in Snap benefits, the Food Pantry was serving over 750 people a month with food.

There was also an increase in the number of financial requests for utility assistance with families struggling. We all want to thank everyone who donated monetarily or through food donations. Christmas Angels sponsored 46 children this year and we delivered goodie bags to the Maplewood Assisted Living Center. If you would like to donate this year, you can send donations online or collect non-perishables. Thank you and God Bless.
