

# GROWING FORWARD

3BC Uniting for the Next Generation

# **Growing Forward: 3BC Uniting for the Next Generation**

---

## **Growing Forward**

### **3BC Uniting for the Next Generation**

Beginning in 2026, our church will undertake a focused initiative to improve ministry spaces for children, students, and college/young adults. This project is designed to strengthen safety, improve ministry effectiveness, and position our church for continued growth.

---

### **The Goal**

**\$75,000** to fund:

- New equipment and furnishings
  - Renovation of existing spaces
  - Visual updates
  - Resources
- 

### **Preschool & Children**

**Why this matters**

- Improved safety with all children on one level
- Easier drop-off and pick-up for families
- Better teamwork among volunteers
- Secure, child-specific facilities during worship

#### **What will be updated**

- Classrooms, nursery, and large-group space
- Visual identity and signage
- Audio/visual support
- Playground improvements

---

## **Students**

### **Why this matters**

- One consistent, designated space for student ministry
- Larger area for worship, teaching, and games
- Flexibility for special events and growth

### **What will be updated**

- Seating, lighting, and flooring
- Audio/visual systems
- Multi-use furnishings

---

## **College & Young Adults**

### **Why this matters**

- Supporting a relaunching ministry
- Creating identity and consistency
- Providing space for worship, study, and fellowship

### **What will be updated**

- Furniture and lighting
  - Worship and study equipment
  - Painting and finishing touches
-

## **Looking Ahead**

- Renovations begin in June 2026
- Some improvements will occur before June
- Progress updates will be shared with the congregation

---

## **How You Can Participate**

- Pray for the next generation
- Support the project financially as God leads
- Celebrate what God is building at 3BC

---

## **Frequently Asked Questions**

- Will the gym be available for ARK, VBS, and other activities?
- Are we borrowing money to complete this project?
- What if we don't reach the project offering goal in March?
- Who has been consulted for this project?
- When will the project be completed?
- What about the safety of the students on Wednesdays & Sundays?
- How will student Life Groups take place?
- Will the acoustics in the gym be an issue?
- What about current furniture, fixtures and equipment? Will it be incorporated into the new space?
