

THE WORK OF KINGDOM CITIZENS

Philippians 2:11-17 NIV

1. Take some time to think about some things you do everyday... brush teeth, floss or not!, why do you do those things?
2. What do your habits tell you about your life? In particular your life with God?
3. Share some examples of people whose pattern of life you respect.
4. Discuss vs. 14-17... What does the pattern of your life say to those around you? Your family, friends, neighbors?
5. What things might you change in your daily routines that would communicate a life worthy of the Gospel?
6. Pray for God's life to be more present in you and in your community.
