

## 2024 SUMMER CAMP THEMES

**Morning Sessions Monday-Thursday 9:00-12:00:** geared more towards exploring, experimenting, and learning.

**Afternoon Sessions Monday-Thursday 12:30-3:30:** geared more towards creative play.

**Full Day Sessions Monday-Thursday 9:00-3:30:** include lunch from 12:00-12:30. Campers bring a snack lunch.

Each day campers should bring a water bottle labeled with their name.

June 17-20

**Morning: Astronomy Camp 9:00-12:00**

See how the heavens declare the glory of God! Learn about planets, stars, and asteroids. Construct a working telescope to get a closer look at key stars. Create an animated model of our solar system. Make a working rocket to see how high it will go. Munch on s'mores cooked in a solar oven. The sky's the limit with Astronomy Camp.

**Afternoon: Camp Inside/Outside 12:30-3:30**

Enjoy a week of camping without the worry of bears, racoons, or mosquitos! Tents set up outside with firepit campfire, roasting marshmallows, camp songs and games. Camping under the stars with a tent inside, with glow in the dark activities.

June 24-27

**Morning: Lego Mania 9:00-12:00**

Join us for some creative STEM fun with ever-versatile Lego! We will get things moving by building zip lines, balloon cars, rubber band cars, and marble runs. We will grow our building skills by making a Lego city that will withstand a variety of natural disasters. There is plenty to build with Lego!

**Afternoon: Project Funway 12:30-3:30**

Campers will create, build, or invent a project of their choice and present their project at a runway show for the parents on Thursday. Make a dress, a robot, a new invention, a bird house, or a piece of art. The week will be filled with time to explore and create with many different arts, crafts, building, and inventive materials.

July 8-11

**Morning: Teddy Bear Adventures. 9:00-12:00**

Bring your teddy this whole week for an adventure you'll never forget!

**OR** Build a teddy bear who will join you for a week of adventures you will never forget!

\$20 extra fee for "Build a Bear Kit"

We will have obstacle courses, a scavenger hunt, photo ops, picnics, and a super-duper teddy bear tea party. We will head to fun destinations including the beach, jungle, and the city. This camp will be "stuffed" with fun!

**Afternoon: Around The World In 4 Days. 12:30-3:30**

Experience a "trip" to Mexico, Japan, Germany, and Greece. Learn about the culture, life and traditions through virtual tours, activities, and crafts. Food making and tasting from these countries for snack each day.

July 15-18

**Morning: Myth Busters. 9:00-12:00**

Don your lab coats and goggles to discover if those myths hold any water. We'll look at germs, myths from the kitchen, play spy games, and even look at fairy tales. Come bust some myths with us!

**Afternoon: Fun In The City. 12:30-3:30**

Design shops, play, buy, and sell merchandize in our dramatic play city at a pizza shop, coffee shop, ice cream parlor, vet clinic, grocery store, woodworking shop, greenhouse and more. Parents can come shop at our stores on Thursday at 3:00 for spice mixes at our grocery store, garden herbs and vegetables plants at our greenhouse, coffee at our coffee shop, and an ice cream cone at our ice cream parlor, all prepared for you by the campers!

July 22-25

**Morning: Music Is In The Air 9:00-12:00**

Music is definitely in the air! Kids will learn about musical elements like rhythm, dynamics, timbre, and melody. They will also explore how music is an integral part of culture. Most importantly, they will get to dance, create, make instruments, and play!

**Afternoon: Water World. 12:30-3:30**

Our campers favorite, year after year! Everything water in liquid, solid, and gas form! Water balloon games, splash pad, water beads, bubbles, and water guns. Make ice cream, ice sculptures, and fake snow. Watch water boil and steam rise while making a cup of tea. Summertime and wintertime crafts and activities "Down By the Sea" and up north in the Arctic!

July 29-August 1

**Morning: Artist's Delight. 9:00-12:00**

Bring your artist to life through sculpture, performance, painting, tie-dye, and so much more! We will learn about masters and emulate their work to stretch our creative muscles. There will be an Art Show for parents on Thursday.

**Afternoon: Passport To Fun 12:00-3:30**

Enjoy going around the building visiting centers with all sorts of activities from sports, games, arts, crafts, building, painting, experiments and more. Each time you finish an activity you will get a stamp in your Passport of Fun.
