#### For further personal reflection and application

- 1) Where have I been tempted to treat my life as something I control rather than something God is unfolding?
- 2) Where might God be inviting me to repent so that I can truly turn in a new direction?
- 3) Is there a step of obedience, such as baptism or confession. that I've been postponing but need to take?
- 4) Where is Jesus inviting me, not just to believe, but to follow Him more faithfully this year?
