- Authority that Heals (vs. 27-31)

- Authority that Spreads (vs. 32-34)

**For further personal reflection and application**

1. Are there areas in your life where you’ve learned to look fine while quietly struggling?
2. What might it look like to invite Jesus to confront what you’ve learned to hide?
3. How does the fact that healing leads to restored purpose challenge how you think about rest and service?
4. Identify one place you regularly go (school, work, gym, home, online). How might that place already be a ministry field?
