# The Ten Commandments

## THE SACREDNESS OF HUMAN LIFE Exodus 20:13 10 COMMANDMENTS

- Why is this command necessary?
- How widely should this command be applied?
- What does this command teach us about God?
- How does this command apply to me?

### For further personal reflection and application

- 1) How has your understanding of the significance of the command not to murder expanded?
- 2) How prevalent is anger in your life? At whom is it most often directed? How might you be indulging that anger in a way that tempts you to devalue the person who triggers it?
- 3) What are steps you could personally take that could help foster a “culture of life” over the far too prevalent “culture of death” we currently live in?
