# The Ten Commandments

## THE UNSEEN COSTS OF THEFT Exodus 20:15 The Ten Commandments

- The People Theft Hurts
- The Power Behind Theft
- The Patterns of Theft
- The Pardon of Grace
- The Practice of Generosity

### For further personal reflection and application

- 1) When you think of theft, do you typically think about the property taken or the person harmed? Why does this matter?
- 2) How have you experienced the pain of being stolen from—whether through money, trust, or time?
- 3) Who might be affected when we “cut corners” in ways that seem small or hidden?
- 4) In what area is God prompting you to become a giver rather than a taker—time, money, encouragement, service, or attention?
