Welcome, Dr. Preben Vang

Dr. Preben Vang has served as a Professor of Christian Scriptures and as the Executive Director of the Doctor of Ministry program at Truett Seminary since 2014. Before coming to Truett, Dr. Vang served 10 years as professor and chair of the department of theology at Ouachita Baptist University and 7 years as chair of biblical and theological studies at Palm Beach Atlantic University. While at PBAU, he led the effort to start their now thriving seminary.

Born and raised in Denmark, where his latest call was to pastor the First Baptist Church of Copenhagen, Dr. Vang's academic interest has always been related to the global vision for God's Kingdom. To this end, he has authored multiple commentaries on the New Testament and numerous articles for the Baker Bible Dictionary and Handbook.

Always involved in the church, either as an interim pastor or as a church planter, Dr. Vang is convinced that the church is God's tool to change the world.

On the private level, Dr. Vang enjoys engaging and meaningful conversations, hanging out with friends over a good cup of coffee, hiking, and tinkering with a variety of technical projects. The greatest joy in his life is being with his family - not the least his sweet little grandkids.
