The Ten Commandments

THE CURE FOR COVETING
Exodus 20:17
The Ten Commandments

- What Coveting Is
- What Coveting Does
- What We Need Instead
- Who Provides What We Need

For further personal reflection and application

- 1) Is there anything in your life right now that you are wanting in the wrong way, or at the wrong time, or for the wrong reasons?
- 2) Fill in the blank honestly: "If I only had _____, then I'd finally be happy."
What does your answer reveal about your heart?
- 3) Where have you seen God provide for you recently—big or small? Take time to thank Him for it.
- 4) Where is God inviting you to practice contentment today—right here, in the life you already have, with the gifts He has already given?
