AUXANO GROWTH STUDIES 26.1  
Wednesdays, January 14 - March 4, 2026

David’s Prayer Book - led by Pastor Daniel Crowther - Noon & 6:30 PM  
Explore the depths of David’s prayers in the book of Psalms where he expresses frustration, fears, sins, and celebrations – always confident that the Creator of all things listens and cares.

Dwell on these Things by Natalie Abbott and Vera Schmitz– led by Jenny Bright  
How would your life change if you could call Scripture to mind at a moment’s notice to bring comfort, peace, and assurance? We will study Philipians 4:4-9 in a video/discussion format.

God Owns it All – by Ron Blue - led by Jeff Fuqua  
This study helps individuals gain fulfillment and contentment in their finances by discovering principles affirmed by Scripture. It equips them to approach money management and financial planning with freedom, generosity, and contentment.

Biblical Apologetics - led by Kirk Lewis  
The intersection of Christianity and secular culture is filled with disagreement, tension, and complicated issues, leading many Christians to avoid talking about their faith entirely. This course engages all of us with visuals to make it easy to understand the existence of God, faith vs. reason, evolution and science, moral relativism vs. absolute truth and more.

Prayer Group – Will pray each week for our leaders, immediate needs, unchurched and more.
