Sermon Summary

A Step Back in Time: A Personal Story

This weeks sermon from Pastor Burt Campbell invites listeners to rediscover the normality of a Spirit-filled life. Through a personal story, Pastor Campbell traced Scripture's steady message: God breathed life into us, Jesus breathed the Spirit to his followers, and the Father promises the gift of the Holy Spirit to all who repent and believe.

Being filled with the Spirit is not a rare experience for elite Christians but the intended, empowering spiritual rhythm for every follower of Jesus – enabling intimate relationship with God and equipping us to witness, serve, and love the lost and broken.

The message calls the church to embrace Spirit-empowered practice in personal devotion and communal life so that we might grow, speak, and carry God's presence into our neighborhoods.
