My House

This sermon calls believers to make a decisive, daily choice to serve Jesus above every rival voice or “little g” god competing for our devotion—career, culture, comfort, or convenience.

Drawing from Joshua’s bold declaration, Pastor Levi reminds us that faith is not inherited or automatic; it’s chosen in every generation and lived out in every household. Serving the Lord means clinging to Him through obedience, prayer, and unwavering trust, even when the world offers easier alternatives.

Pastor Levi challenges each listener to evaluate what truly rules their heart and home. When we surrender fully to Christ, our lives move from self-centered to Spirit-led, our homes become ministries, and our faith becomes a living testimony to God’s glory.

We have a pastoral care team to walk alongside people through life's challenges, with their permission. Should anyone in your group or serve team experience sickness, death of a loved one, marriage challenges, or surgeries, please contact us at connect@reachchurchnetwork.org!
