## Here's what has happened in the month of July!

Hey everyone!

While July was a slower-paced month for First Student Ministry, it was still filled with meaningful moments and opportunities to grow, serve, and connect.

We kicked things off with a fun outing to Top Golf, giving students a chance to relax and spend time together before the school year rush begins. It was a great time of laughter and competition.

A highlight of the month was seeing our students step up to serve during Vacation Bible School. We had an average of 25 students each day volunteering their time and energy to pour into the next generation. From helping with games and crafts to leading worship and guiding kids through the Bible lessons, our students showed what it means to lead by example and serve with joy.

We closed out the month with a special Family Night, where students and parents gathered for an evening of fellowship, worship, and vision casting. It was a great time to come together as families, reflect on what God has done, and look ahead with excitement to the upcoming school year.

As we prepare to launch Midweek services on August 27, we're praying expectantly for the year ahead—for God to move in our schools, our community, and the hearts of our students. We can't wait to see all that He has in store!

## Story of Growth: this month story focuses on students volunteering at Vacation Bible School!

This July, our students had the amazing opportunity to serve at Vacation Bible School, themed Wonder Junction, with the focus verse: "From the rising of the sun to its setting, the name of the Lord is to be praised" – Psalm 113:3.

Throughout the week, students jumped in to lead and support in every area—drama, teaching, music, arts & crafts, recreation, and snacks. They brought energy, creativity, and a heart to serve, helping younger kids experience the wonders of who Jesus is in fun and meaningful ways.

We are so thankful for each student who gave their time and talents to serve. They not only had a blast but also grew in their own faith through the experience. VBS wouldn't have been the same without them!

## Student Spotlight

This month's student spotlight is Brady Reed.

Brady always has a smile on his face and a joy to be around. Brady is faithful in attending midweek services and part of most events we have. Brady recently gave his heart to Jesus and followed through with believers baptism. We are proud of Brady and thankful to have him a part of our Student Ministry!
