Dear Parents,

We are excited to announce the launch of our **First Student Cookbook**—a special project that will bring our church family together in a fun and meaningful way!

This cookbook will feature favorite recipes from our students, families, and church members, creating a collection that not only celebrates good food but also the fellowship we share.

We would love for you and your family to be part of this project by submitting one (or more!) of your favorite recipes. Whether it's a family tradition, a quick weeknight favorite, or a sweet treat, your contribution will help make this cookbook unique and personal.

Please submit your recipes by September 21:
