## NEW MESSAGE SERIES - ANCHORED!

**Begins January 18**

An anchor is an essential device that secures a ship to the bottom of a body of water to prevent it from drifting due to the wind/current. It brings stability in the midst of storms/rough waters. An anchor is a symbol of stability/strength in the midst of chaos. God has given us an anchor to see us through the storms of rough waters of life so we might not be swept away by the winds/currents of life—DOCTRINE. Without sound doctrine, our lives will be set adrift. Join us each Sunday to find out more.
