The Book of Hebrews

January 22 - March 11 | 6:00 PM

An exegetical study of the book of Hebrews. Hebrews is a rich letter that gives readers deep theological truths regarding the sufficiency of Jesus Christ. Though we know almost nothing regarding the author or recipients it is obvious that the epistle is written with the goal of presenting Christ as the completion of God's covenant with the Hebrew people. Participants will find in studying this epistle that Jesus Christ is the fulfillment of each of the Old Testament themes and covenants. NOTE: This location will offer Zoom as an option for attending classes.

It's not too late to sign up! Monday (January 29) is the last day to register.
