NEW BIBLE READING PLAN

It's not too late to join the First Baptist Family as we read through and experience the Bible together in 2026. The **One Year Chronological Bible** provides an intriguing way to easily read through the Bible in one year . . . in only fifteen minutes per day! Experience the Bible in a fresh way by reading it in the order the events actually happened. You don't have to be a Bible historian to appreciate the fascinating new perspective waiting for you. It's like reading some of your favorite passages for the very first time! You can use the Church App with all the readings included along with an option to listen to the passages read to you. You can also pick up a printed 2026 Daily Reading Plan at the Welcome Center or Sanctuary Foyer. We are excited to see all God will teach us as we commit to read His Word this year!

NEW MESSAGE SERIES - ANCHORED!

Begins January 18

An anchor is an essential device that secures a ship to the bottom of a body of water to prevent it from drifting due to the wind/current. It brings stability in the midst of storms/rough waters. An anchor is a symbol of stability/strength in the midst of chaos. God has given us an anchor to see us through the storms of rough waters of life so we might not be swept away by the winds/currents of life—DOCTRINE. Without sound doctrine, our lives will be set adrift. Join us each Sunday to find out more.

SAMFORD/MTI CLASS

THE BOOK OF JOB

Mondays at 6 PM, Jan 19-Mar 9

First Baptist Church, Oneonta

Class Description: This course will assist participants in answering the deepest questions about human suffering and God's allowance of it. The course is designed to follow the story of Job and his tragedies, relational interactions, and his grand conversation with God. Why would a loving God allow his followers to endure difficult trials? This question will be paramount to this exegetical study. **NOTE:** This location will offer Zoom as an option for attending classes.
