

## VOLUNTEERS NEEDED

Do you enjoy using a computer? Do you like to take photos or videos with your phone? Do you often listen to music while you are at home or in the car? Would you like to lead others to Christ using any of these skills? If so, we have an opportunity for you to serve on our Audio/Video Team during Sunday Worship Services on a rotational basis. No experience needed. Great Training, Awesome Work Environment and the Benefits are out of this World! See Gary Morgan or one of our Audio/Video Team Members for more information.

## LIGHT/VISION 23

We are embarking on a faith-based vision to update our stage lighting, video and assistive listening systems, called "Light/Vision 23." The total estimated cost for "Light/Vision 23" is \$60,000. We are determined not to borrow money to accomplish "Light/Vision 23." To be good stewards of the resources that God has entrusted to us, we have a plan to minimize costs. Prayerfully consider how you can participate.
