LIGHT/VISION 23

We are embarking on a faith-based vision to update our stage lighting, video and assistive listening systems, called "Light/Vision 23." The total estimated cost for "Light/Vision 23" is \$60,000. Now, this may seem like a daunting figure, but let us remember that we serve a God who is able to do exceedingly abundantly above all that we ask or think (Ephesians 3:20). We are determined not to borrow money to accomplish "Light/Vision 23." To be good stewards of the resources that God has entrusted to us, we have a plan to minimize costs. Prayerfully consider how you can participate. You can make a one-time gift or spread your contribution out over time. You can choose to use an offering envelope during a worship service or give online to the designated account, "Light/Vision 23." Your generosity will make a significant difference now and for years to come.

Together, let us step out in faith, knowing that our commitment today will pave the way for a brighter and more immersive worship experience tomorrow. May we be inspired by the love of Christ, who gave His all for us, and may His example guide our giving.
