HOW TO JOIN FIRST BAPTIST CHURCH

Profession of Faith/Baptism: Individuals who profess for the first time that Christ is their Lord and Savior join the church through their profession of faith and are subsequently baptized during one of the worship services.

Transfer of Membership: Individuals who are members of another Baptist Church can request membership via transfer of their membership to this congregation. The church office, in turn, contacts the other Baptist Church for an official recommendation and transfer of membership.

Statement of Faith: Persons who are members of churches from another denomination may join upon their profession of faith in Christ as Lord and Savior and acknowledgement they've been baptized by immersion as a believer.

Baptism: People who are members of a church from another denomination but have never been immersed as a believer may join the church. Upon professing their faith in Christ as Lord and Savior and following Christ's example in believer's baptism, they are accepted into membership.

Attend a First Steps New Member Class: Sign a Membership Covenant to become a member.
