JONAH: NAVIGATING A LIFE INTERRUPTED (by Priscilla Shirer)

Room 130

Interruptions. They're aggravating. But how we handle interruptions actually tell us more about ourselves. What do we do when God interrupts our lives? Many times, like Jonah, we run! Priscilla redefines interruption and shows that interruption is actually God's invitation to do something beyond our wildest dreams. When Jonah was willing to allow God to interrupt his life, the result was revival in an entire city.

THIS STUDY IS ALSO OFFERED ON MONDAYS AT 10:00 AM.

STUDENT BIBLE STUDY "SALT: CREATING THIRST"

Room 330

Salt prepares your teenagers to have authentic, give-and-take spiritual conversations with their friends. Sometimes bringing up Jesus in a conversation is the hardest thing to do, but once you've started, you also need to know how to engage the other person in real dialogue. Salt will help your students do both! In this five-week video youth group curriculum, Greg Stier and Zane Black explore conversation-starting questions, and then walk your students through ways to have an engaging conversation that is more than just a presentation.
