**I Am Known
Leader Devo**

the place for kids to take
their first steps with Jesus.

WIN

Kids will learn from the story of Job that they are never alone or unseen in their hurts. God sees them, knows every hurt, and loves them through everything.

BIBLE- *God Spoke with Job- Job 1-42*

Read: Job 1-42

Highlight: Job 42:1-2

Reflect: Job did not understand why bad things were happening to him, yet he trusted in God. How can you practically trust in God when you are hurting?

1. Surrender control of the situation, and trust God's timing and plan.
2. Worship through pain by singing, praying, and reading your Bible.
3. Allow friends and family to join you in prayer, and offer support as a community.

Pray: God, help me to focus on Your goodness in the middle of my pain. I know You can do all things, and Your plans cannot be altered. So I trust in Your power that my hurt will be used for Your glory.

Connect: We often cannot see anything good while we are in the middle of something hard. In hindsight, what have you learned from a tough season in your life?
