## January 19, 2026

**Psalm 119-** God's Word is like a light that helps us see the right way to go. When we read the Bible, it shows us how to make good choices and follow God's path. Psalm 119:105  
**Bible- Jan 19-** 2 Kings 22-23- God's Word is true forever.

**Read:** Psalm 119:89-96; 2 Kings 22-23

**In This Passage:** The psalmist celebrates the eternal nature of God's Word. When the Israelites rediscover God's Word after it was lost in the neglected Temple, they celebrate the truths that are contained in it. God's Word is as true today as it was when it was first written.

**Bible Point:** God's Word is true forever.

**Memory Verse:** "Your word is a lamp to guide my feet and a light for my path" (Psalm 119:105).

**Dig Deeper**

**You'll Be Teaching:** God's Word is true forever. It seems like a rite of passage for kids to believe no one could possibly understand what it's like for them to be kids, because the world has changed so much since their parents were kids. There may be an element of truth to that! But in the midst of a world with ever- changing technology, culture, and communication, there are timeless things we all struggle with that the Bible addresses. As kids consider the "then and now" of the Bible, help them see those universal truths that stand forever.

**Think About:** What's a struggle you had when you were a kid? What's a Bible story or verse that could help in that struggle?

**Dig In to Prayer**

Ask God to help your kids connect with the Bible in a fresh way.

**Quick Tip**

While you may not be as old as Moses, your kids may think your childhood was closer to his time period than theirs! This is a great lesson for you to share some of the differences between your childhood and life now (pay phones, anyone?) and to reiterate that the Bible was relevant then and is still true now in your life.
