Leader Devo

Live It Out- As you grow as a disciple, seeing and knowing God's character helps us love Him with all of our soul and strength. Matthew 22: 37

Bible- Sept 10- Acts 27- God is encouraging, so we encourage others.

Read: Acts 27

In This Passage: Paul is being transported as a prisoner on a ship when a violent storm threatens to sink the ship. But God encourages Paul, letting him know that no one on the ship will die when the ship wrecks. Paul passes on that encouragement, and everyone gets safely to shore.

You'll Be Teaching: God is encouraging. A lot of kids wrestle with self-doubt and insecurity. (Am I smart enough? Am I pretty enough? Am I strong enough? Do people like me?) As you talk about God's encouragement, find ways to encourage kids. You'll set an example and give them words they need to hear.

Think About: Think of three encouraging things people have said to you. Thank God for sending those encouraging words through other people.

Dig In to Prayer Ask God to give you the right words so you can encourage kids with just what they need to hear.

Quick Tip: As a Small Group Leader, you might feel taken for granted by your kids. Maybe you don't get a lot of encouragement for what you do. So let us encourage you: You're doing God's work. You're making a lasting difference. You're touching kids' lives in ways you'll never know...but God knows. Thank you for all you do! Keep up the good work; you're amazing!
