WEEK 1

The Gift of Prophecy Study Notes

1. What is the difference between the innate gifts (like teaching or hospitality) and the supernatural "power gifts" of the Holy Spirit, such as the gift of prophecy?
2. What does the New Testament state about the purpose of the gift of prophecy, and what are the three key outcomes mentioned in 1 Corinthians 14:3 that prophecy is meant to achieve?
3. Prophecy will never contradict the Bible. How is the spirit of prophecy defined in relation to Jesus Christ, and what is the function of a prophetic word regarding the existing revealed Word of God?
4. What does the Bible say in 1 Corinthians 14:32 about giving a word of prophecy, and in what manner should a believer deliver a word from the Lord?
5. If an individual feels they have a word from the Lord to share corporately during a church service, what should they do? When giving a word personally, how do you deliver it to encourage evaluation and conversation?
