A New Covenant Objection

1 John 4:18

Key Point

A proper fear of God
must be grounded in the
redemptive love of God.

The background of the slide features a stylized, artistic representation of a desert landscape. It shows rolling sand dunes in various shades of brown and tan. A small, dark silhouette of a person is standing on the crest of one of the dunes. The sky is a deep blue with some lighter, wispy cloud patterns. The overall composition is layered, with the dunes and sky appearing behind a semi-transparent dark blue band that contains the title text.

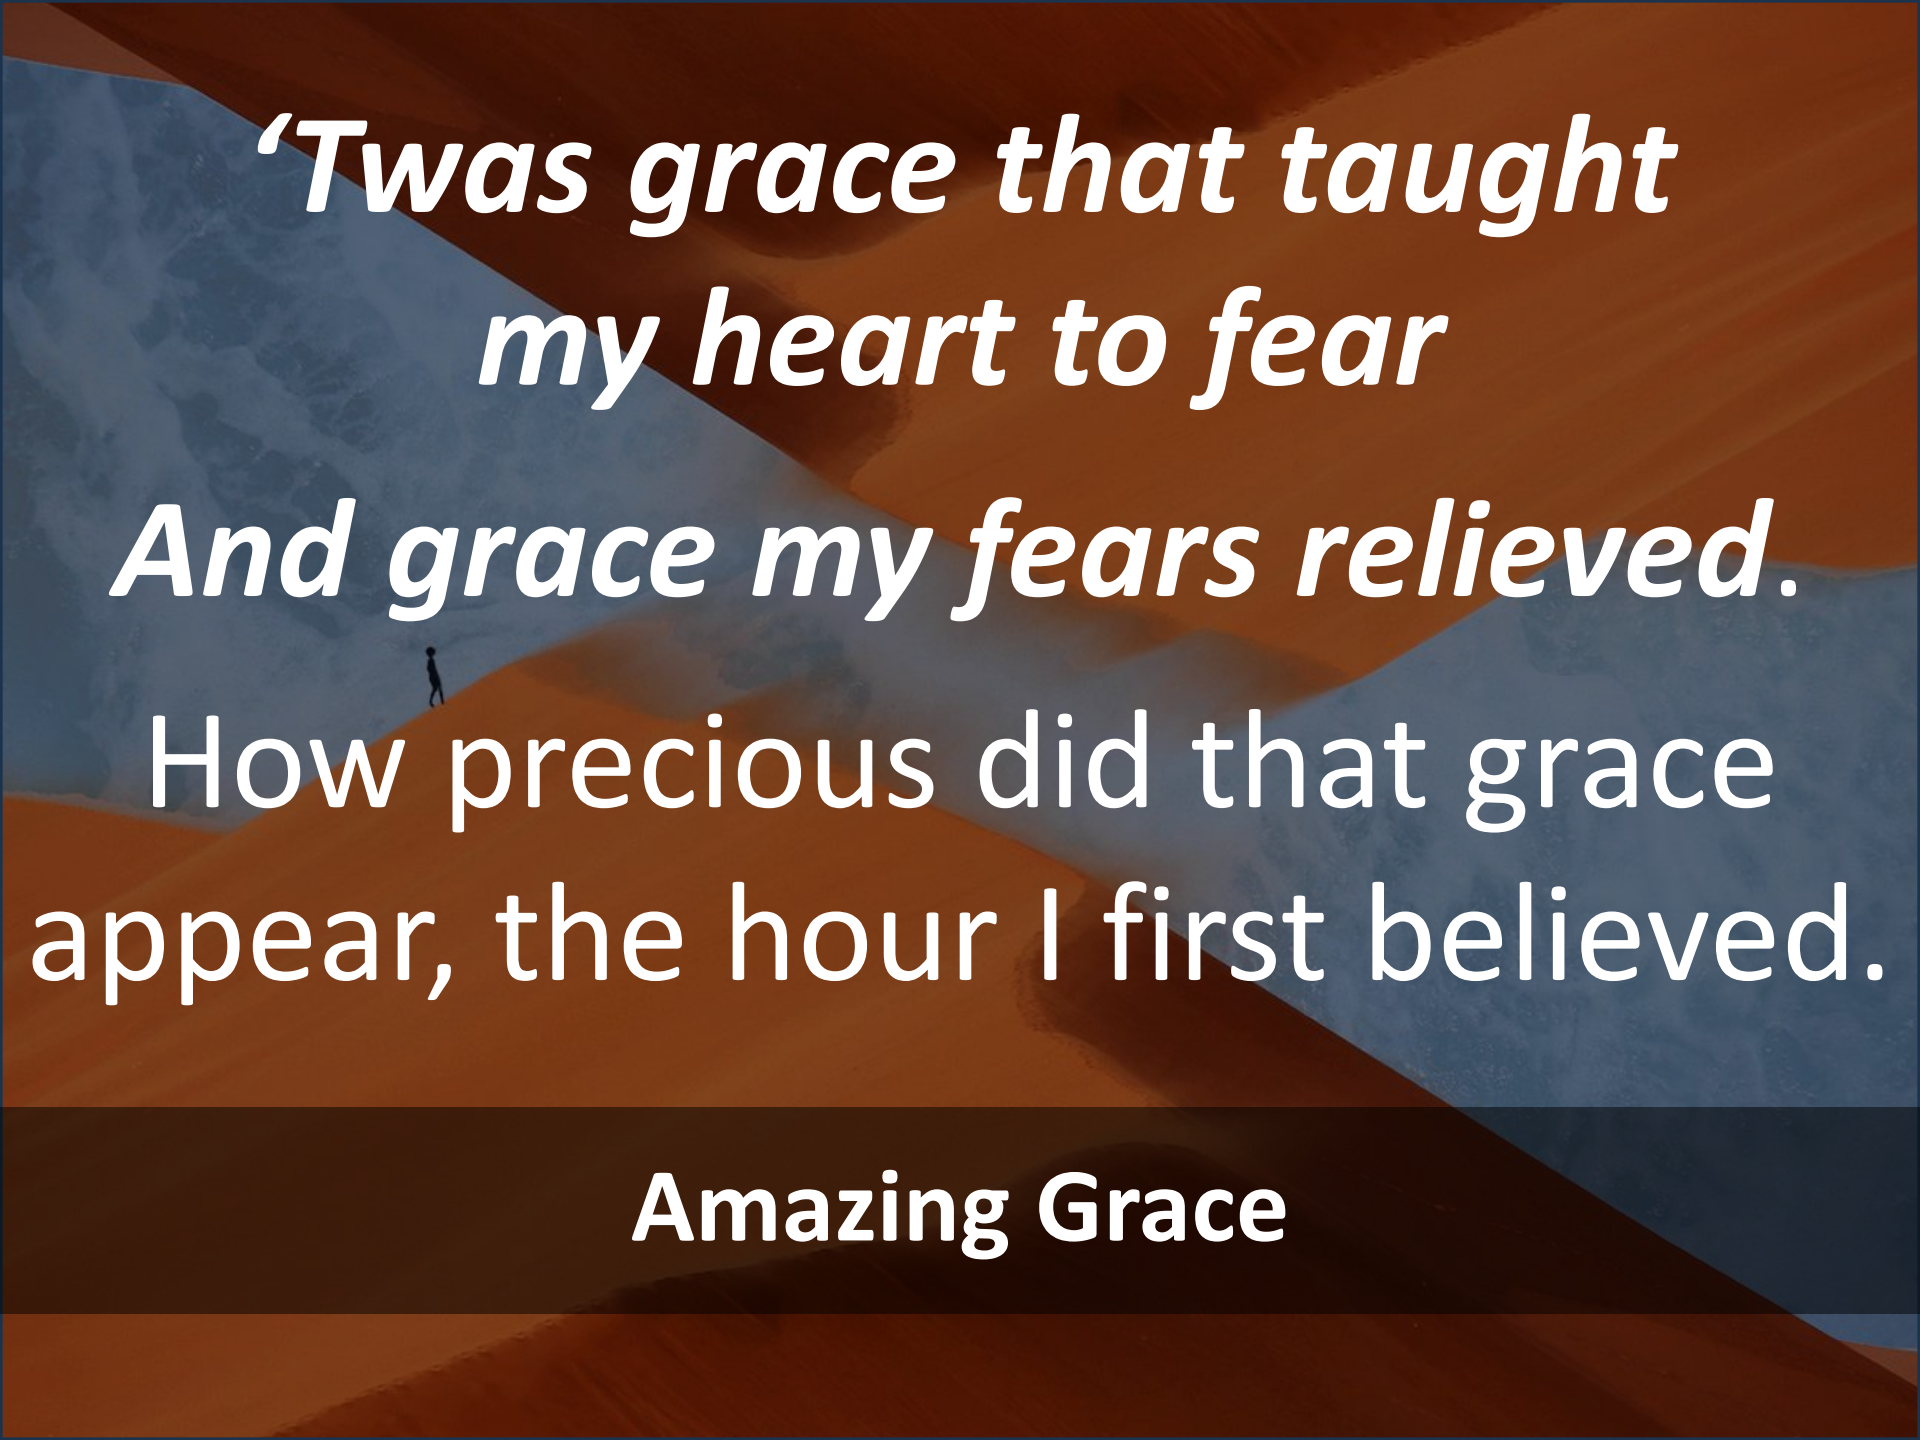

Proverbs 16:6

Jeremiah 32:38-40

Exodus 4:22-23

Key Point

Fear is not the enemy of love.
Godly fear is *grounded in love.*

The background of the image is a photograph of sand dunes. The dunes are a mix of warm brown and tan colors. A small, dark silhouette of a person is standing on a ridge of a dune in the middle ground, looking towards the left. The sky is a pale, hazy blue. The overall mood is contemplative and serene.

*'Twas grace that taught
my heart to fear*

And grace my fears relieved.

How precious did that grace
appear, the hour I first believed.

Amazing Grace
