Pentecost 17

- Today is the **17th** Sunday after Pentecost.
- One symbol for Pentecost is a **tree**.
- Our faith starts out like **a small mustard seed** and grows into a big tree!

Do you know how trees grow? Draw a picture of yourself doing each of these steps.

1) PLANT THE SEED

2) WATER THE SEED

3) WATCH THE TREE GROW

God gives you all the faith you need!

In today's story, Jesus compares our faith to a small mustard seed.

In each pair, circle the thing that is smaller than the other.

Look it Up!

In his parables, Jesus used some pretty confusing examples. Our faith is like a mustard seed? Jesus described what the kingdom of God is like in all kinds of ways. Sometimes he used similes. A simile is a way of describing something like something else.

Look up these verses and draw each metaphor below:

The kingdom of God is like...

Matthew 13:44

Matthew 13:47-50

Matthew 13:33

The letters in today's memory verse have increased! Can you still read what it says?

Growing Big

Just like a mustard seed grows, and just like our faith grows, these things grow, too. Draw the "big version" of all of these things.
