

In today's story, Jesus talks about marriage.

Draw what your church might look like during a wedding. Make sure to draw the people getting married and the pastor.

Pentecost 22

- Today is the **22nd** Sunday after Pentecost.
- A **tree** is one symbol we use for Pentecost.
- In Pentecost we learn that **God gives us eternal life!**

**In order to grow, trees need lots of care.
Circle things that could help this tree grow big and strong.**

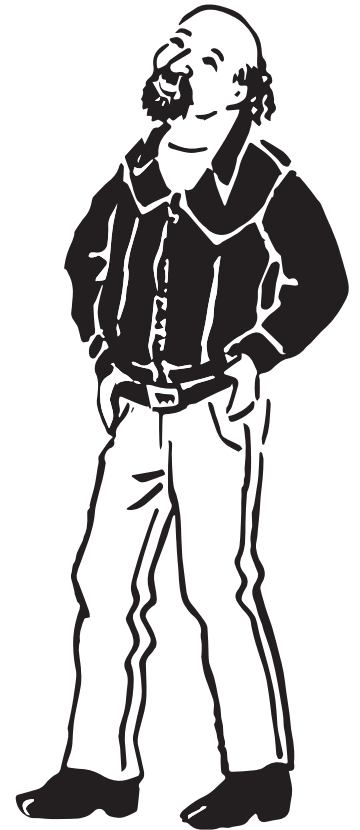

**God has made a place for us to live forever
that is amazing!**

Jesus said that in heaven, we are children of the resurrection. He said we are like angels and we are children of God. What do you think angels look like?

Make each of these people look like an angel.

After Sunday

Everyone comes to church on the weekends for worship, but what happens in a church the rest of the week? Are there meetings? Do preschool classes happen? Do people from the community use the space? What does the pastor do? What about other staff members and volunteers?

Look in the bulletin or worship folder, ask people around you, or talk to your pastor after worship to fill in this week's calendar.

Pentecost 22

- Today is the **22nd** Sunday after Pentecost.
- In Pentecost, we are reminded that **our faith roots us**.
- We also learn that **we have eternal life in God**.

Rooted

One of the most important parts of a tree is its roots. That's what keeps the tree grounded. What are your roots? What things keep you grounded in life? Is it your faith? Your family? Your friends? Write your answers in the roots below!

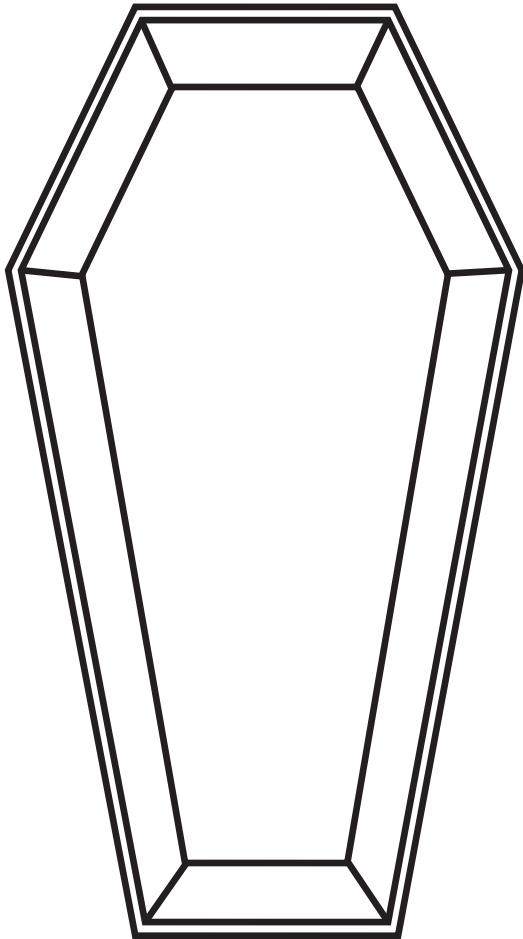

Unscramble the sentence below to solve today's memory verse, then write it in the open casket below.

Eternal Life!?

In today's Bible story, Jesus tells the Sadducees about what life in heaven is like. What questions do YOU have about eternal life in heaven? Write them in these clouds.

No More!

In today's text Jesus tells us that in heaven, there are no earthly matters. There is no marriage, no death, no pain, and maybe there isn't even family, because we're all in God's family. In the circles below, draw five different "earthly" things that you don't think will exist in heaven.
