

## Diaconate Highlights

[23] Let us hold fast the confession of our hope without wavering, for he who promised is faithful. [24] And let us consider how to stir up one another to love and good works, [25] not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near. (ESV) – Hebrews 10:23-25

Dear Bethel Church Family,  
As we continue serving the Lord together, we want to share a brief update on recent improvements, ongoing work, and ways your support is making a difference at Bethel.

### Completed Projects

All buildings on campus have been pressure washed and the Kendrick house has been cleaned in preparation to welcome Pastor Mark and his wife, Debra. The air conditioning for the Ladies' Parlor has also been repaired.

### Ongoing Projects

The deacons are aware that many of the church's email communications are being sent to members' spam folders. We are in the process of modernizing our communications system to solve the issue. With the new system, Flock Note, members will be able to receive communications from the church via email and text message. More information will be shared soon.

As Phase II construction gets underway we thank you for your patience and cooperation as we assess buildings and grounds access each week. Please

continue to use caution around disturbed and marked areas. If you need any assistance accessing any area of campus the diaconate and members of the security team are always happy to help.

If you notice anything in disrepair around the campus or any potential safety hazards please reach out to the diaconate.

### Thank You for Giving

The Lord continues to bless our church! The diaconate thanks you for your generous giving to the general, deacons', and building funds. We have been able to help several members in need, make necessary repairs to our facilities, and support local and global ministries thanks to your continued giving and the Lord's faithfulness.

### Opportunities to Serve

Current service opportunities include standing committees, technology assistance, hosting a community or discipleship group, nursery, Worship Training, and 25-26 Kids' Quest.

As always, if you or someone you know in our church family is in need—physically, emotionally, or spiritually—please don't hesitate to reach out to your shepherding leadership team. Whether the need is personal or on behalf of another, we are here to listen, pray, and help as we are able.

Thank you, Bethel family, for the way you continue to give, serve, and care. Your faithfulness truly strengthens our church. As we press on together, let's keep our hearts fixed on Christ and aim to glorify Him in every step we take.

Blessing,  
Ethan Wallace, Diaconate Chairman
