

"Train up a child in the way he should go; even when he is old he will not depart from it."
—Proverbs 22:6

This past weekend, I had the opportunity to watch the virtual PCA Children's Conference. The main takeaway: it takes a church to raise a child. The more mature Christian saints pouring truth into our children, the better. We cannot teach or love these children too much, and one of the many ways this happens at Bethel is through Kids' Quest!

This semester at Kids' Quest, we are working to memorize the Ten Commandments and learning what they mean. We will play games, practice for the Christmas Play, learn the Catechism, and fellowship together over food.

We meet Sunday evenings at 5:00 p.m. in the Covenant Class. From 5:00–6:15, you are welcome to drop off your child. At 6:15, we have an optional dinner together, and we

ask that at least one parent be present to help their child. We also ask that everyone who eats stays to help clean up.

In the spring, we will switch from meeting weekly to meeting once a month for Family Quest! Everyone in the family is encouraged to attend. Each session will be a fun, mission-focused time to learn, grow, and connect together. We will learn what the Great Commission is, how to serve wherever we are, and what our spiritual gifts are.

To top it off, we hope the entire church will join us on April 12 for a church-wide Bethel Talent Show so we can all use our gifts! Sing, juggle, play an instrument, recite Scripture... whatever your talent is. Don't want to perform? Use your talents to bake, set up, clean up, and more. Start practicing now!

I am so thankful for the church family we have at Bethel—those who mentor, encourage, and love our children so well. Know that as you invest in our children, your time and gifts will impact generations to come. It truly does take a church to raise a child, and I am deeply grateful that Bethel is where I get to raise mine.
