## *We Are Epic Life: Church in the Round*

### **Making Room for God's Best**

Creating margin allows space for God to work in and through us.

Where in your time, talent, or treasure do you need to create margin so that you can better live out these values: trusting God with expectant faith, loving people well, and investing in community?

### **Expecting God to Move**

Living with expectant faith means trusting that God will meet us as we take steps of obedience. What area of your life—time, talent, or treasure—do you sense God inviting you to trust Him more fully?

### **Loving People Intentionally**

If we believe people matter, how we spend our time and resources should reflect that. What are some practical ways you can use your time, talent, or treasure to intentionally encourage, serve, or reach out to someone this week?

### **Community on Purpose**

An irresistible community happens when believers live connected lives marked by love, service, and shared faith. What helps you lean into community, and what might be holding you back from being fully connected?

### **Kingdom First**

All four values point us to a life focused on God's Kingdom rather than our own. How does keeping eternity in view shape the way you live out expectant faith, love people, invest in community, and create margin?

### **Prayer Prompt:**

Lord, help me to live with expectant faith, trusting You in every step. Remind me that people matter, and show me how to love them well. Draw me into community that reflects Your heart. Teach me to create margin in my time, talent, and treasure so there's room for Your best. Help me say 'no' to distractions and 'yes' to what matters most. Amen.
