The Nature of God

The Bible is a rich document that provides us details and ideas into who God is. Three New Testament descriptions say that He is something: Spirit (John 4:24), Light (1 John 1:5), and Love (1 John 4:8). Yet, the Bible from cover to cover shows us much more about who God is. We really want to know who God is because after all we are His Children and we are called to be like Him. He is the reason we can assemble together to Worship. He is the reason we can gather together to Pray. He is the reason we can live! In Nehemiah 9, eight Levites led Judah in a "praise service." That is, these priests exhorted God's people to praise God for His Nature. Read Nehemiah 9 and notice how they are encouraging these people.

HIS EXALTED NATURE (Nehemiah 9:5-6): Notice God's attributes, as mentioned here. He is the Exalted One. He is Lord. He is the Creator. He is the Sustainer. He is the only subject Worthy of Worship.

HIS EXTENDING NATURE (Nehemiah 9:7-8): His Extending Nature is illustrated by Abraham and the covenant made with him. For Abraham, He chose (7), brought out (7), named him (7), found his heart faithful (8), made a covenant with him (8), gave him Canaan (8), and preformed His words (8).

HIS EXPRESSED NATURE (Nehemiah 9:9-15): His activity is noted from Egypt to the Red Sea, from Mount Sinai to the desert. God provided all power and ability with the most remarkable and memorable acts of all history.

HIS ENDURING NATURE (Nehemiah 9:16-38): This means that God put up with and was longsuffering toward Israel for what they had done against Him! They disobeyed, ignored, and rebelled. Yet, notice that the priests noticed God's persistent longsuffering from Moses' generation all the way until captivity was over. God was good to them.

Remember that we have access to the longsuffering of God and we can always choose stand upon the side of God!

1 Corinthians 16:14

Radically and Dramatically Changed

A Christian is not just somebody who has become nice; he has become new. He doesn’t just turn over a new leaf; he receives a new life. A Christian is not like a tadpole that has become a frog. A Christian is more like a frog who has received the kiss of grace and become a prince. We are changed radically and dramatically.

Work on these character qualities every single day so that you may grow in Christ.

From the Elders

On Feb. 4th at 9 am during the Bible Class hour, the elders would like to have a congregational meeting to discuss results of the survey taken by the members several months ago. We ask that the men meet in the auditorium and that the women meet in the fellowship hall.

We are grateful to everyone who participated in the survey. We have prayerfully considered your feedback regarding ways that we can improve our congregation.

We will share results of the survey and will be seeking additional input from you how we can make improvements. The input you provided in the survey covered five areas: worship, fellowship, education, youth, and evangelism.

Let’s work together so that we can be the church God wants us to be.

What the Bible Contains

It contains light to direct you, food to support you, and comfort to cheer you. It is the traveler’s map, the pilgrim’s staff, the pilot’s compass, the soldier’s sword, and the Christian’s charter.
