To our members and visitors:

Welcome to White Bluff!
We are glad you are here!

What is Spiritual Weariness?

Spiritual weariness (or fatigue/burnout) is a state of emotional, mental, and spiritual exhaustion from feeling drained, discouraged, or disconnected from one's faith or purpose, often manifesting as feeling tired of trying, going through motions without feeling, or lacking passion for spiritual practices like prayer, or service, even while trying to be devout.

Gal. 6:9 "And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart."

Don't let your Spirit grow Weary! Be INTENTIONAL.
Worship more, Pray more, Read the Bible more, and
Serve more, Your Spirit will Grow, but not grow weary.

"Our job is to take care of our character.
God will take care of our reputation."
I believe 1 Peter 3:16 bears that out.
In His Word, we really do have
"all things that pertain to life and godliness."
2 Peter 1:3
