TIME ALONE WITH GOD CAN HELP US GROW,
BUT SO CAN SERVING OTHERS. INSTEAD OF
FEELING GUILTY ABOUT HOW LITTLE TIME

YOUTH NEWS

WORDS FROM ETHAN...

One of my all-time favorite professors from Freed-Hardeman is Dr. Jim Gardner. I was introduced to his classes the first semester that I transferred to Freed-Hardeman and from then I have taken him every semester. He is a man who any time he had something to say I had a pen ready in hand to write down what seemed like even the inflection in his voice with what he said. One semester I was in a class covering the entire life of David. At this point in the semester we were covering the book of Ruth. I had heard the story of Ruth most of my life; however, my perspective was completely changed by the way that Dr. Gardner described the setting. He said, **"we don't learn from the rise and fall of nations, but from someone's personal experiences."** This is something I have since written in my Bible so that anytime I turn to the book of Ruth I am reminded of these "words of gold." In its entirety, this book is about Ruth and her loyalty to Naomi after they both became widows. Do we share our personal experiences with others? Personal experiences with faith and relationship with God? Our relationship with Christ is something that should be a "fire within our bones" that we just cannot keep in. Consider this week how your personal experiences could affect those around you.

THE PURPOSE OF A BULLETIN

Most congregations produce a weekly bulletin, but there are often members who don't take the time to read the information therein. So, what is the purpose of the bulletin?

1. A guide to public worship

Those who serve during the public worship service and the other ministries within the church are listed as a reminder of their responsibilities. This also provides the other members with a contact if they need information.

2. Reminders of those in special need of prayer

The sick list, prayer list, those in the nursing home and other vital news about those in need of our help physically and spiritually are printed in the bulletin each week.

3. Activities/Ministries list

Special activities with the congregation and requests for help with church ministries are announced.

4. Reflective Bible Insight

Many articles are chosen to teach people How to Become a Christian or have great examples of how Christians need to be living. The bulletin often has ways to strengthen our faith. The bulletin is to be used as teaching material.

Much work goes in to producing a church bulletin each week. Please **take the time** and show an **interest in the church** by reading it each week. You might learn something.

The Inspired & Indestructible BIBLE

Other books tell us what men suppose, the Bible tells us what God knows.

Other books tell us what other men speculate, the Bible tells us what an infinitely wise God has inerrantly revealed.

The Bible makes men wise with the wisdom that is golden; the wisdom that brings eternal salvation. Not one can study this Book aright, no matter how ignorant he may otherwise be, without becoming possessed of that priceless wisdom that means eternal life.

No other book but the Bible has the power to make us acquainted with God and with His Son, Jesus Christ.

Please, friend, study the Book that shows the way to Eternal Life "the implanted word with is able to save your souls" (James 1:21).

Family Worship

It is important for families to worship together. The God who created each and ordained marriage knew the importance of family worship. To a woman who had miserably failed in her family life, Jesus said, "The hour cometh, and now is when the true worshippers shall worship the Father in spirit and in truth; for the Father seeketh such to worship Him" (John 4:23).

The Father does not need our worship to be a better being. One cannot improve on perfection, but the Father knew each of us need to worship. The old adage, "A family that prays together stays together," is true. One just does not find those that are truly committed and serving God in the divorce courts.

Families should worship for three major reasons:

1. God commands it (Hebrews 10:25)
2. It helps us influence one another (Matthew 5:15)
3. It enhances our spiritual and marital lives (Rom. 12:1-2)

No family can be completely balanced when there is a major spoke left out of their wheel. Families are to grow physically, intellectually, socially, and spiritually (Lk 2:52). The family that does not worship is missing at least a quarter of this designed growth.

Do you want to offer a major blessing to you family? Here is a simple yet life-changing answer: **Begin this week to worship God!** We hope to see you at worship this week.
