Thank you

Just wanted to thank you for the bear that was given to our daughter while she was getting a big cut glued together in the ER Sunday morning. It was right after church that she hit her head and cut it open really bad, and cried till we got to the hospital and they brought her that bear. It made her mother & I very happy to see her smile and again and not be in pain so thank you very much!

Thank you for the beautiful, comforting quilt. I am enjoying it over me. It is so special to see each of your names and realize how special each of you are. In love, Chasity Hall

Before It Is Too Late

If you have a tender message,
Or a loving word to say,
Do not wait till you forget it,
But whisper it today;

The tender word unspoken,
The letter never sent,
The long forgotten messages,
The wealth of love unspent,

For these some hearts are breaking,
for these some loved ones wait;
So show them that you care for them
Before it is to late.

KEYS TO A BETTER BIBLE CLASS

- Attend Promptly and Regularly!** Missing shows a weak faith, and it discourages others.
- Bring Your Bible!** It shows a readiness to study.
- Participate in Class!** We learn by sharing our understanding of God's Word.
- Say "Amen"!** Don't be bashful. If you believe something is well said, let the class know it.
- Take Notes!** You will encourage the teacher, set a good example, and have a record for later study.
- Study At Home!** You will learn more and be able to contribute more to the class.
- Show the Teacher Appreciation!** A good word or perhaps a note will encourage him and inspire him to do even better.
- Disagree Sweetly!** Others will at least know you are listening, and your attitude will make it easier for them to see your point of view and profit from it.
- Talk the Class Up!** Show excitement and tell someone else what you have gained. They too will become excited.
- Change!** This is the most difficult part, but a class is of little value if principles are not applied to life.

Whites Creek Church of Christ, Whites Creeks, TN

We Asked For It

Recently we had a day dedicated to prayer and fasting. One of the objectives was to pray for a spiritual awakening in this Country. God has seen fit to answer some of these prayers. The Supreme Court has recently seen fit to overturn Roe V Wade.

Roe V Wade was a TERRIBLE decision that lasted for more than 49 years. It has allowed the aborting of more than 63 MILLION infants since the decision in 1973. We prayed for laws like this to be overturned, it has, and now it's time to stand BY it. There is even talk about repealing laws concerning same sex marriage. This is no time to be "politically correct." Christians must view ALL things through the eyes of Jesus, and we know where He stands on the issue of murder and sin (all sin). It's just as simple as that.

The infant inside a woman's body is not "her" body. It is a body (within) a body and no one has the right to take that life. [Exodus 21:22-25](#) prescribes the same penalty—death—for someone who causes the death of a baby in the womb. It was viewed the same as murder. *"When men strive together and hit a pregnant woman, so that her children come out, but there is no harm, the one who hit her shall surely be fined, as the woman's husband shall impose on him, and he shall pay as the judges determine. But if there is harm, then you shall pay life for life, eye for eye, tooth for tooth, hand for hand, foot for foot, burn for burn, wound for wound, stripe for stripe."* Exodus 21:22-25 ESV

As a footnote, abortion and same sex marriage aren't the only two sins that have negatively affected our culture. Consider this: Until the mid 20th century, most U.S. states (especially Southern and Northeastern states) had laws against fornication, adultery or cohabitation. These laws have gradually been abolished or struck down by courts as *unconstitutional*. State criminal laws against adultery are rarely enforced.

As Christians, we should have the conviction to stand up for things the Lord stands for, and to decry the things He does not.

-Daniel Cauthen
