The Daylily

In the many flower beds in our yard, one flower stands out as prominent and most prolific: the daylily. They vary in color, from yellow, orange, or multi-colored. Some are a foot tall while the old-fashioned ones stand nearly four feet tall. They are a hardy perennial, withstanding the cold of winter in their dormancy to the drought of late summer. With minimal care, they produce their blooms throughout the long, hot Southern season.

Although probably different from the lilies found in our flower gardens, the flower is mentioned several times throughout the Scriptures, especially in the love song of Solomon. Most Bible students agree that the "lily of the valleys" in Song of Solomon 2:1 is a type of Jesus Christ. We sing the old song, "He's the lily of the valley, the bright and morning star, He's the fairest of ten thousand to my soul." Jesus used the natural growing lily to illustrate God's providential care for us. "Consider the lilies, how they grow, they neither toil nor spin; and yet I say to you, even Solomon in all his glory was not arrayed like one of these" (Luke 12:27).

One characteristic of our daylilies and perhaps a sad one, is the short lifespan of the blooms. They last only a day, then wither away only to be replaced by another bloom the day after. The Lord uses a flower as a metaphor to describe the brevity of life. "All flesh is as grass, and all the glory of man as the flower of the grass. The grass withers, and its flower falls away, but the word of the Lord endures forever." (1 Peter 1:24-25)
As we enjoy the flower of the daylily today, let it remind us of the shortness of life and to make the very best of this day the Lord has made and to rejoice and be glad in it (Psalm 118:24).

A Challenge For This Week

This year Gov. Bill Lee has signed HJR 0051; which states that every July gives us the opportunity to pray, fast, and repent for our state. Obviously, we could always do that, but...to me...this is an opportunity for all in our state to do it together. Last year this was the first year for this to happen. But, now, it will be every July.

For more information, please go to:
www.Pray4TN.us
or
facebook page: Pray4TN.

You will be amazed at the door God has opened for us in the state to unite together under His Name.

DID YOU KNOW? Each person is asked to submit an interesting or unusual fact about themselves. Everyone will then attempt to guess to who it belongs. The answer will be placed on the PowerPoint the following Sunday. Email the church at whblchurch@gmail.com or place your interesting or unusual fact in an envelope and place in the black box labeled VISITOR and COMPASSION **Let’s have fun and enjoy getting to know each member.** Children are included in this.

Last week’s person was Ray Hedrick Rose Sullivan guessed that it was Ray. Mark Morey came very close. He guessed Mary Hedrick.

Next person’s facts: I once was human bait for a big ol’ stubborn, mean bull. The thing wouldn’t move to different field. Not for food in front or for a good slap on his rump. But, when I started yelling, stomping, and antagonizing him to charge at me it worked and I jumped the fence and got out safely. As a buddy of mine closed the gate behind so he wouldn’t go back to his old field , after all that work..

Can you guess who this person is?

Turn your answer in to the office for a prize!
