Introducing A Congregational Evangelism Seminar

Written by Rob L. Whitacre

We are thankful to announce that you have been enrolled into the House to House/Heart to Heart School of Evangelism! This will provide your congregation with a total of 12 months of preparation, promotion, training, and support. Our goal is to transform the culture within congregations to be focused on local evangelism and church growth. In order to accomplish this mission, we will be conducting a seminar soon and we need your help. “Go Ye” means “Go All.” The word, “ye” is plural and thus requires the mobilization of every Christian in the local congregation to reach the lost in your community. There was a time in our not so distant past when these types of seminars were being held nationwide. Christians carried film strips (Jule Miller) in the back of their trunks and went house to house teaching anyone who would listen the Gospel of Christ. Now most of our training is inwardly focused and are geared towards keeping the saved, saved. Success is seen in how many sister congregations attend our events and rarely on how many non-Christians attend.

A few years ago, a brother called and invited us to come do this seminar. He said, “Brother Rob, we have not had an evangelism seminar in central Texas in over 20 years.” We are at a crisis stage for churches of Christ in America, but it is not too late. What is an evangelism seminar? It is an effort to train the saved to teach the lost. We will spend time equipping Christians with a soul winning strategy We will relay stories of real people who are coming to know their Savior and provide you the simple principles used to get them into a Bible study and help them obey the Gospel. We will spend time with elders and preachers and help them develop a winning strategy for the local congregation.

What can you do? First, please attend every session as each builds upon the other. Second, come ready to learn with Bible in hand, and ready to take notes. This is not just a lecture. It will be both principle and practice. Third, please be praying about souls to save. Since this focuses on training Christians how to reach the lost, it is not recommended that you invite your non-Christian friends and family. After being trained, you will have plenty of opportunity and a working method to reach them.

This seminar is having a great affect upon congregations. Hundreds of souls have been saved in just the past year, and if we all work together, and follow the Great Evangelist (Jesus), many more souls will be saved. The Lord is depending upon you for this evangelistic effort to be successful. The Gospel is not a passive process. It is an active process that will work when we are willing to work it. Below is a schedule of topics. I will be willing to answer any of your questions and materials will be available to help equip you with all the tools needed.

See the Back Page for the full schedule and titles of lessons.

DONATE YOUR UNUSED BIBLES TO SOUTH AFRICA

Bibles are very expensive to those in South Africa. If you have new or gently used Bibles bring them to the table in the church upstairs foyer. They will be shipped and distributed by students at the Somerset School of Preaching in Cape Town, South Africa.

Bible Bowl 2025

Last weekend fourteen of our high school and middle school kids went to compete against 3,000 other kids in Bible Bowl in Cookeville on the Tenn. Tech Campus. They have been studying the books of James, Jude, Ephesians and Hebrews for several months. Competition was tough, questions were tougher. The Senior team missed getting in the sweet sixteen by only 2 points. Four of our students earned their 5 year award: Aubrey Sud-death, Sarah Jackson, Sydney Cocke and Kooper Burns. The kids had a great time and learned a lot about these 4 books of the Bible. Thanks to all of the teachers, parents and grandparents that came to watch the competition. Thanks to Donnie Wills for cooking the hamburgers and hotdogs and all the ladies that helped with the lunch. Thank you to all of the ones that donated snacks for the trip. There was plenty for all. Next year we will be studying the book of Genesis, chapters 26-50. Encourage your child to participate. Kids from 3 yrs old to 18 years old can compete. It is more than just the competition. It is spending time in God’s Word and learning the scriptures.
