## Words from Ethan.....

Come check out the new youth room! Lauren and I, along with the help of many other people, have completely updated the youth room. It serves as a great place for the teens to learn and spend time with one another. I want to say thank you to everyone who took part in the renovation. We could not have done it without you.

## From the Elders

The Bible School (on Sunday's and Wednesday's) is one of the greatest tools to help Christians grow spiritually. Furthermore, it is a great way to connect with fellow Christians in fellowship (Acts 2:42).

It is also a very effective way to evangelize non-Christians who attend.

Its impact on children is very significant. Numerous studies show that when parents involve their children in the church's Bible School program, when their children become adult, a great majority of them remain faithful in their service to God.

It is our desire to help you and your children go to heaven. The Bible School is one way to help you and your family.

Beginning this Sunday (Sept. 4), we want to emphasize our Bible School. It will be publicized from the pulpit, in the classrooms and in the bulletin.

### Will you help?

1. Be sure that you and your family attend every Bible class on Sunday's and Wednesday's.
2. Volunteer to be a teacher or a teacher's assistant.
3. Invite others to attend our Bible classes.
4. Express gratitude to the teachers who have had a good influence on you and your family.
5. Give the elders feedback on ways you think our classes can be improved.
6. Pray that God will bless our bible classes with great teachers and students

God requires elders to feed the flock/church (Acts 20:28). This is done publicly in classes and sermons. It is also done privately through letters, phone calls, visits, or through the printed page.

A New Quarter will begin this Sunday, September 4. Plan for your family to in Bible Class at the 9 am hour.

Please help us help you.

## The Importance of Worship & Religion in Society

American society has deteriorated, while the role of religion and spirituality have been de-emphasized. Is there a cause and effect?

Is religion important to our collective society and to us as individuals? Is spirituality important to you?

Consider this from a Rabbi:

**In the dark of night you are walking alone through a dimly lit alley like the one pictured.**

**Suddenly, coming toward you are three very large men. Would you be more or less afraid if you knew the men had just come from their regular Bible Study Class.**

**Think about it!**

## Happenings

Ladies Wednesday Night Bible Class will resume Sept. 14th. They will be studying **Sarah's Daughters**. If you have the book **Sarah's Daughters** and are willing to let the class borrow it for awhile please let Henrietta Bradford know or place it in the classroom beside the fellowship hall.

**"CONNECTING WITH GOD THROUGH HIS WORD"**

**Bill Watkins, minister at the Crieve Hall Church of Christ**, will be our guest Speaker on Sept. 11. We will have Bible Classes for all ages at 9:00 am.
