Hello Church!

Thank you for your financial contributions and generous support in 2025.

Your generous contributions expanded the reach of ministry and made a difference in the kingdom of God. We are going to be surprised in heaven to meet people that were added to the Kingdom because you generously and sacrificially gave. May you hear our Lord say, “*Well done my good and faithful servant!*”

As a church, we stayed engaged in making disciples by *equipping the saints for the work of ministry* and the fruit is starting to blossom.

Most of the NEW work this year was focused locally. For example: We saw another 14-students graduate from the School of Ministry; baptism weekend(s) produced 26-people baptized and dedicated to God; VBS hosted 40-kids, most of which did not previously attend church; Children’s Hospital was supplied with baby blankets made by our youth; Fish Food Bank received over 100-lbs of donations; Operation Christmas Child collected more than 200-shoeboxes; the OCC distribution center had 22-volunteers from WC.

These are just a few local areas of support where your love overflowed.

Beyond these wonderful moments, we hired a second assistant pastor this Summer and appointed (2) elders & (1) deacon this Fall. As a church we took steps of faith to start a building project aimed at facilitating a bigger children’s ministry and an expanded café, which will be named “*The Overflow Café*.” Incredible!!!

Looking abroad, WC supports numerous ministry efforts, but **two lanes of support** are noteworthy this year. Here’s feedback from our Bible printing & delivery support. [Quote] “... in November 2025, we/you provided the funding for the printing and shipping of 20,000 French Bibles to a Muslim majority country in West Africa. For security reasons, we are not naming this country but will instead refer to it as West Africa.”

Because you gave, thousands of Bibles have been printed and delivered in West Africa, along with our normal support for printing and distributing in Asia.

The **second new lane of ministry** surfaced during the Israel war. Your contributions supported an effort to build a 50-bed trauma center in Nazareth – Jesus’ home town. How crazy is that?!? We also had the opportunity to visit and support many of our ministry partners in Galilee, Jerusalem, & Nazareth this year. Plus, lead a tour of 27-pilgrims into Israel & Jordan during the war.

In 2025 there was a total of \$67,848 distributed and used for outreach in the name of Christ. These monies do not include the \$75,764 contributed toward the building project.

All your contributions demonstrate a heart of *love for God and a love for others*.

Our mission as Christians takes a lifetime to complete. So, don't grow weary. The best is yet to come. Keep looking to Jesus the author and finisher of your faith and stay faithful with your financial participation because it's working all to the glory of God. Amen!

Love you guys,
