Hear the Stories of Our People, of God's People

"...to be the church outside of a church building because within these walls is not where we need faith and build the kingdom; that it's in the streets of Reading, it's in our secular communities, it's in our own houses, and our own jobs and our own schools, where the kingdom is built and that's where the real work is done, and that's where we need faith."

These words were spoken by Zach Warren during a conversation with Pastor Chris on our church's podcast, *Our Story Podcast with Pastor Chris*. Zach is a faithful young adult that is an integral part of our West Lawn Young Adult (WLYA) ministry. During his conversation he opened up about his hopes and dreams not just for WLYA but for our entire church. In the podcast he spoke about the influence that his father had on him regarding his faith formation and his professional career as a pilot. If you missed Zach's story, you can listen to it now on our app and website (found under the media tab on westlawnmc.org). All of the episodes are also available wherever podcasts are found – iTunes, Spotify, Google Play, and TuneIn.

You might be wondering, "what exactly is a podcast?" Well, a podcast is a series of interviews (episodes) that are similar to talk radio. Podcasts do not "air live," but are available "on demand" – you can listen to them anytime at your convenience. Past episodes are not erased as they will always be available for you to listen to again and again. New episodes are released (posted) each Tuesday. Ultimately, the purpose of our church's podcast is to allow people to tell their story. We believe that everyone has a story worth telling because God is at work in all of our lives in many different ways. As we've all come from different backgrounds and have taken different paths to get to where we are today, God has been active and we can benefit from hearing God's leading in each other's stories.

If you'd like to be a guest on the podcast, or suggest a guest, you can email me at chris@westlawnmc.org. If you haven't listened to any podcasts yet, I encourage you to give it a try. I think you'll be pleasantly surprised by what others share. And if you have been listening, thank you! Thank you for your dedication and I'd like to encourage you to encourage others to listen to our podcast.

Peace and blessings to you and yours,
Chris, Associate Pastor

OUR STORY

WITH PASTOR CHRIS

Upcoming Study on the Lord's Prayer

Learn the significance and the power of the prayer Jesus taught “Your kingdom come.” “On earth as it is in heaven.” “Daily bread.” You can recite these phrases from the Lord's Prayer by heart. You think you know what they mean, but truthfully, you're not entirely sure. You know it's the prayer Jesus used to teach us how to pray, but do you know why? You know the prayer is sacred, but do you grasp the power of the words? In his new book and study, *The Lord's Prayer*, best-selling author Adam Hamilton explores each of the prayer's rich lines and examines their meaning in the Bible, illuminating what we ask of God and what we ask of ourselves through its words. Not only will you come to understand its power; you'll learn how to use the Lord's Prayer as a pattern for all of your prayers.

Please consider participating in this 6 week video-based study with:

- Pastor Jeff on Wednesday evenings @ 7 p.m. in HE-brews Café, beginning April 20th, or
- Table Talk Sunday School class @ 9:30 a.m. in the REB #109-111, beginning May 1,

as we glean new understanding of the prayer we learned so long ago.

[The book, *The Lord's Prayer*, by Adam Hamilton is recommended, but not required, as available on Amazon.com, and a limited number of books are available from Pastor Jeff for \$15.]

Special WLW Meal for Ukraine

Wednesday, April 13th from 4:30—6:45 PM

Please join us in the Community Center for a special West Lawn Wednesday meal of fish & chips, coleslaw, mixed vegetables, and pineapple upside down cake.

\$10 donation with all proceeds going to help Ukrainian refugees.

Journey to the Cross: A Good Friday Prayer Vigil

“In the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning. Through him all things were made; without him nothing was made that has been made. In him was life, and that life was the light of all mankind. The light shines in the darkness, and the darkness has not overcome it.” (John 1:1-5 NIV)

Journey with Jesus, from the beginning of time, through the fall of mankind, to His ultimate victory on the cross. Experience what Jesus experienced, from the sound of the angry mob to the sound of the nails being pounded into the cross. And then, allow yourself to accept the sacrifice Jesus made for you and for me, and let your sin die with Him.

This guided prayer walk through the Journey to the Cross is being offered on **Good Friday, April 15, between noon and 3:00 p.m.**, the hours when Jesus hung on the cross. This is a self-paced event offered by the WLUMC Prayer Team Ministry. We pray this event will give you space to reflect on the events of Jesus' crucifixion in a unique and meaningful way.

Can We Get a Testimony?

There was a time when giving one's testimony (the story of how God has interacted with a person) was a regular part of Christian worship. Sadly, that is not the case so much anymore. However, we still believe that God is working among God's People – the Church – and that worshipers could be encouraged by the testimony of other believers.

If you have a testimony you'd like to share with your church family, we want to encourage you to put it in writing (about 1 typed page, max.) and share it with the pastors. We hope to be able to share (actually, have you share) some of these testimonies during worship in the month of May.

If you have a question, please reach out to Pastor Jeff. If you have a testimony, please share it with Pastor Jeff, Pastor Chris or Pastor Lisa at your earliest convenience.

Easter Flowers

It's time to order your Easter Flowers! We have tulips and lilies available, for \$9 each. If you would like to order flowers to adorn our sanctuary on Easter, pick up one of the envelopes in the narthex of the church, fill it out and return it to the office by April 3rd.

Flowers may be picked up at Easter services.

PRESCHOOL UPDATE

Over the past several months, the Preschool has been busy upstairs doing hands on interactive lessons with themes around winter, transportation, Valentines Day, Dr. Seuss and rhyming words. As Spring begins, we are exploring new themes such as weather, animals/bugs, plants/planting seeds, and Easter! We are looking forward to holding the Church's very first Scholastic Book Fair happening March 27-April 7th. Stop by room 201 in the Community Center to purchase some books. All purchases help support the preschool by way of providing books and materials for the classrooms.

Our theme week on Dr. Seuss at the beginning of March was so much fun! The students enjoyed themed days that went along with their favorite Dr. Seuss books. Monday was wear Red & Blue for "1 Fish, 2 Fish, Red Fish, Blue Fish." Tuesday was Hat Day for "Cat in the Hat." Wednesday was Wacky Wednesday for "Wacky Wednesday." Thursday was wear Green for "Green Eggs & Ham." and yes, we did cook green eggs and ham with the kids that day! Most of them LOVED trying the green eggs! Finally, Friday was crazy sock day for "Fox in Socks." What an awesome week, with lots of silly laughs!

Throughout the past 2 months, we have also opened our enrollment for next school year. We are still accepting enrollments in all classes for next year. Please visit our website (www.westlawnumc.com/preschool) to find out what classes are being offered next year, and help us spread the word! We would love to welcome new families with young children to our church campus each day!

Finally, as the preschool starts to make preparations for next year, we will be looking to expand our staff. Please contact Elise Coakley at preschool@westlawnumc.org for more information.

Seeking Rental Property

Rev. Tom Ebersole, his wife Kimm, and their Labrador retriever, are looking to rent their first year at West Lawn UMC before looking to purchase a property moving forward. **THEY NEED YOUR HELP!**

Ideally, they'd like:

- (1) at least 2 BR,
- (2) 1.5+ bath,
- (3) garage would be nice, but not a deal-breaker;
- (4) prefer 19608, 19609, 19610, so as to be closer to the church.

If you know of something, or someone they should talk to, please contact Michael Rivera, on our Personnel Team.

Help Needed

A WLUMC member is looking for someone to take her to appointments, stores, etc. approximately 3 hours every other week or once a month. This is a paid position. If interested call 610-927-2108 between 9am and 8pm.

SING "HALLELUJAH"

The congregation is invited to sing Handel's "Hallelujah" from *Messiah* with the Festival Choir at the 8am or 11am Easter Sunday worship services. Anyone that is participating can come up to just sing "Hallelujah" or they can sing with the Festival Choir for the entire service on Easter Sunday. Rehearsals for "Hallelujah" will be on Thursday nights at 7PM during Lent in the Music Room.

POWERPACK PROGRAM

For the President's Day holiday in February we delivered close to 400 Power Pack bags to students. I want to thank you all and your congregation for your support in making the Power Pack Program a success.

We will have 2 more Power Pack deliveries scheduled for Easter, around April 13th and the end of the school year around the week of May 23rd.

If anyone has interest in volunteering, I greatly appreciate your donations and cooperation in making our Power Pack program a success.

-David Babczak, Coordinator

The next Power Pack distribution will be the week prior to Easter. This will be a 5 day care package. Please consider donating breakfast bars or granola bars, individual meals such as ramen noodles or mac and cheese, individual sized snacks, fruit cups or applesauce, and as a special treat, some small Easter candy treats. Please bring to church by Sunday, April 10th. Thank you!

Safe Haven Lighthouse

We are having a fun spring here at Safe Haven. This year is slipping by very quickly. We were able to take the kids bowling at Bowlero (formerly Berks Lanes) because of a generous donation from the family of Joe Kuhn. We do this field trip every year and the kids (and adults) really enjoy it. The hardest part was getting the kids out of the arcade and cashing in their tickets in a timely manner. 20 kids can take a long time to decide! Apologies to the families for our late return.

Everyone is still enjoying the Bible Studies for Life curriculum. We are also continuing to memorize the Books of the Bible. We feel it is important to give these kids that skill so that as they continue in their spiritual journey they will be better equipped to study and learn God's plan for their life.

As the temperatures warm up, we hope to be able to go outside and enjoy the wonderful parks and activities we are blessed to have in our area.

The pictures will give you a small glimpse into the fun our kids are having.

Peace, Lori Madara and Bonnie Rissmiller

We have a shelf in the church library with books from the Reading Program highlighting advocacy, spiritual growth and leadership.

Please join us on **Tuesday, April 19 at 11:30am in Hebrews Café** as we continue to celebrate the resurrection of Jesus Christ. Marilyn Layser will lead us.

Bring your lunch and beverage as we fellowship with food before our celebration.

Grants to Assist In Defraying Higher Education Costs

Investing in higher education for students is a pillar of our Wesleyan heritage and essential to our denomination and its local churches. Scholarships and grants especially are significant to our mission to develop educated, faithful and committed leaders—leaders who know their church supports them in their aspirations for achievement and for rendering service to others.

On April 25 the Education Society of the Eastern Pennsylvania Conference of the United Methodist Church will start accepting applications for grants to assist worthy individuals with defraying the cost of higher education for the 2022-2023 school year. The application form is available on the Conference website. It can be accessed as “Grants to Defray Higher Education Costs” at the following website address: <http://www.epaumc.org/administration/finance/higher-education-scholarships>.

All applications received in the Conference Office (between and including) **April 25 to May 9** will be considered for a grant. Like last year, all applications will be considered. Grant recipients who are qualified will be randomly selected.

Women's Book Club will meet Wednesday, April 13, at 7:00PM in room 109 of the Education Building to discuss The Lost Girls of Paris by Pam Jenoff. May's book will be The Edge of Lost by Kristina McMorris. **New readers** always

welcome! Come join the discussion!

To be added to the email list or for information please contact Donna Barnhart at dmbhart2@gmail.com or 610-678-7873.

The next Wilson Area Food Pantry distribution will be on April 15th from 2:30-4:30PM in the WLUMC Community Center. Pre-registration is preferred and can be scheduled by calling 484-525-0980. Donations accepted weekdays in the church office. Thank you!

April 2022

Fishhouse Youth

With the arrival of spring, we are looking forward to spending more time outdoors together. We will be doing more yard work projects to help members of the congregation, and for students to earn scholarship money. We will also be serving outdoors at NJCO as well as right here at West Lawn for our Children's & Family Ministry Easter event.

Obviously with the arrival of spring, there's Easter. During Holy week, we will be at NJCO, and attending the Maundy Thursday service followed by a time of fellowship together at Berk's Lanes.

On Sunday evenings, we have been learning about the last week of Christ's life, and understanding more what his life means for us in our lives here, 2020 years later. *-Trisha*

Confirmation Class 2022

The students and adults that attended the Confirmation weekend had a great time exploring our own personal faith. We learned how our identity in God calls us out of our lives in the world, and into a fuller life in Him. We heard how God works through some seemingly impossible circumstances, and how God brings us closer to him. We also explored grace, and what it means in our own lives. Next we will be learning about our spiritual gifts, and how we can use those gifts to serve here at WLUMC.

Thank You...

A special "thank you" to Pattie Chubb, Cheryl Raffauf, Warren & Katie Marweg, Steve Snyder, Sharon High, Ruth Stephens, and Margo Hill for preparing a delicious meal for 65 men on Saturday (the abundance was given to our ministry partners at New Journey Community Outreach). The men spent a few hours together painting He-Brews Café and the adjacent hallway, moving clothing racks for the consignment sale, and hauling junk to the dumpster. Men will have an opportunity to gather for a clay pigeon, trap shooting outing at Topton Fish and Game on Saturday, May 14 from 10am – 1pm (rain or shine, registration is required). You can register under the "Men's Ministry" section under the "Grow" tab on both the app and website. Additionally, we are looking forward to our next Men's Breakfast on Saturday, June 18 where we'll have an opportunity to serve others and hear the Godwin men (Zac, Kyle, and Frank) share their testimony on this Father's Day weekend. Men and their sons/grandsons are invited and encouraged to attend.

Dear West Lawn Church family, I am so blessed to be part of this loving and caring congregation, and am truly thankful for the way you ministered to me during my post hospitalization recovery and the previous 18 months. We have a talented bunch of cooks and bakers in our midst! Thank you, not only for the food, but for the cards, the flowers, emails, phone calls, and the many, many prayers over the course of my "illness". As my husband so lovingly stated during the week after my surgery, "You kept the post office in business." Grace and peace to you all, Pastor Lisa

I sat in my car today in front of what was the West Lawn Fire Company. Tears of sadness and fond memories flowed as I looked at my husband's name displayed in the memory plaque.. He was proud of his service to the community as a firefighter. Thank you and the members of your church for this very meaningful gesture. May God bless you all and keep you safe.
Denise Sands & Family

On behalf of the Hope Rescue Mission Development Team, I would like to say thank you for your financial gift. [Christmas Miracle Offering]
We appreciate your support and playing a vital role to end homelessness in our community.
Sandy Ruoss, Event/Marketing Coordinator

Dear Friends of Family Promise,

We would like to give thanks for the continued and generous support West Lawn United Methodist Church has given to Family Promise of Berks County over the years. The investments you have made to help us fulfill our mission are immensely appreciated. Your donation in the amount of \$5,000 from the Christmas Miracle Offering enabled us to provide care and services to families and youth who have fallen on difficult times.

Our programs are designed to help those in need all while engaging people with diverse backgrounds to come together and form lasting partnerships. Contributions like yours indicate that our reach has gone beyond the confines of a program and inspired individuals to invest in our vision to help build stronger communities. We truly value this partnership and look forward to new ways we can serve families in need together.

Thanks again from the board of directors, staff and families that need a helping hand in crisis. We will continue to provide help for today and hope for tomorrow.
