*Confirmation
Sunday*

Sunday, May 8th is Mother's Day! Celebrate this special Sunday with us at worship as we honor all of the ladies attending with a special gift!.

***“O God, our help in ages past, our hope for years to come,
Our shelter from the stormy blast, and our eternal home.”***

As my time here as West Lawn’s “senior pastor” comes to a close, and my retirement looms in the not-to-distant future (next month – not yet!), I find comfort in the fact that this ministry is not about any one individual, but it has always been about God. Our call to ministry is like God, eternal and never-ending.

Long before I was appointed West Lawn’s senior pastor (only the 4th in our most recent 80 years!), indeed long before I was a twinkle in my mother’s eye, this congregation was proclaiming the Good News of Jesus Christ. Before God spoke into my heart – *and the bishop’s!* – about serving here, this congregation was teaching stories of God’s Love to the children, ministering to the needs of this community, supporting missionaries and mission work locally and globally, and doing the things Jesus would have us do – feeding the hungry, sheltering the homeless, and ministering to those in need.

One hundred and ten years ago someone’s vision for a new faith community was birthed into reality in the barn of Riegel’s dairy farm, located on what we now call the West Lawn playground. On Ascension Day, May 19, 1912, after much seed-planting and the result of many dreams and prayers, God’s people came together for worship. Only God could have known what the next 110 years would hold.

Over the years this congregation was led by retired clergy, student pastors, and received our first “resident pastor” in the midst of a global economic depression. We worshiped in a barn, a white-framed structure on Penn Avenue, and later a brick edifice that is now the northern (flat ceiling) section of our present sanctuary.

When the church saw an uncertain future, God raised up a new, young preacher and sent him to serve this church. When we could not seem to find a way to pay the mortgage, God raised up a group of committed members to free us from the yoke of debt. When we outgrew our building, God provided a larger sanctuary (1957), an education building (1967), a renovated fellowship space and handicap access (1987), and an additional building – the Community Center (2007) – for added ministry space.

Under the leadership of the Rev. Rollin T. Reiner we paid off our debt, expanded our facility and campus, and grew to be a strong church that at one time had 400 total worshipers between our two services AND 400 attending Sunday school each week. Led by the Rev. Stacy Myers, West Lawn saw our worship attendance grow to 600/week, and West Lawn became a “home” and church family to many. During the ministry of the Rev. Dr. Menno Good we expanded to a third worship service and were called to deep reflection as to the kind of church God was calling us to be. And I hope that in these past 22 years God has been at the helm, steering us, guiding us to effective ministry in our community and around the world. I pray that we have been faithful to making disciples of Jesus Christ for the transformation of the world, as we have sought *to invite, embrace and empower all to be the family of God in Christ.*

I hope you will join us in worship *each* Sunday this month as we:

- **Celebrate our Preschool**, recognize our new softball teams, support Native American Ministries, and share in Holy Communion **on May 1st**.
- Honor our mothers and share in the baptismal covenant on **May 8th – Mother’s Day**.
- Stand in support of our young people as we receive our newest members on **Confirmation Sunday, May 15th**.
- Recall our history and dream of our future on **Anniversary Sunday, May 22nd**.
- Remember those who gave their all so that we could live in freedom today, on **Memorial Day Sunday, May 29th**.

What a blessing it continues to be to serve God with you in this place we call our church home, West Lawn United Methodist. What peace I feel, in knowing that our ministries will continue on long after I retire. What a joy it is to pray for this church and its future, including ministry under the leadership of your next senior pastor, the Rev. Tom Ebersole.

To God be the glory!

Pastor Jeff Raffauf

Upcoming Study on the Lord's Prayer

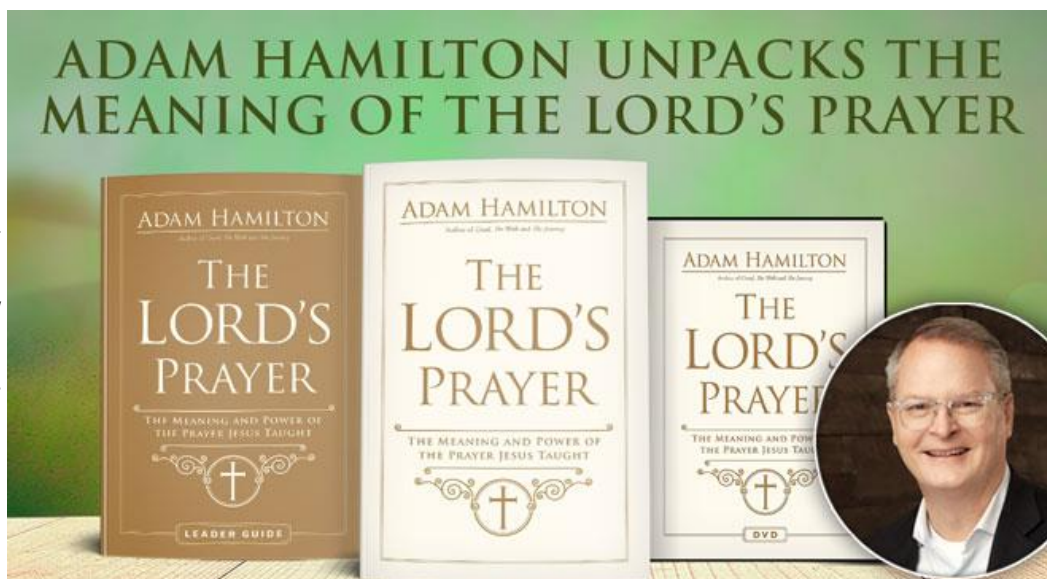

Learn the significance and the power of the prayer Jesus taught "Your kingdom come." "On earth as it is in heaven." "Daily bread." You can recite these phrases from the Lord's Prayer by heart. You think you know what they mean, but truthfully, you're not entirely sure. You know it's the prayer Jesus used to teach us how to pray, but do you know why? You know the prayer is sacred, but do you grasp the power of the words? In his new book and study, *The Lord's Prayer*, best-selling author Adam Hamilton explores each of the prayer's rich lines and examines their meaning in the Bible, illuminating what we ask of God and what we ask of ourselves through its words. Not only will you come to understand its power; you'll learn how to use the Lord's Prayer as a pattern for all of your prayers.

Please consider participating in this 6 week video-based study with:

- Pastor Jeff on Wednesday evenings @ 7 p.m. in HE-brews Café, beginning April 20th, or
- Table Talk Sunday School class @ 9:30 a.m. in the REB #109-111, beginning May 1,

as we glean new understanding of the prayer we learned so long ago.

[The book, *The Lord's Prayer*, by Adam Hamilton is recommended, but not required, as available on Amazon.com, and a limited number of books are available from Pastor Jeff for \$15.]

"No Clays Left Behind"

Men (and boys 16 or older) are invited to attend a fun day at the Topton Fish and Game Club shooting clay pigeons on Saturday, May 14 from 10 am – 1pm, rain or shine. All experience levels are welcome. Active Men's Ministry member, Mike Stephens (interviewed on our church's podcast), will be leading our group that day. Shotguns will be provided, as well as a thorough safety demonstration, and an additional safety officer presiding. Those that need or desire additional instruction will receive attention and be made comfortable.

The "trap house" allows for five shooters at a time, so preregistration is required. Registration is limited to 30 participants. The cost is \$35 and covers 50 rounds of ammunition, 50 clay pigeons, and lunch. Additional rounds will be available for purchase. For any questions email Mike Stephens. Register online or the app to reserve your spot!

UMCOR Collaborates to Relieve Ukrainians' Suffering

The United Methodist Committee on Relief (UMCOR), is collaborating to send 47,895 pounds of medical supplies and equipment worth \$935,000.00 to three hospitals in Kyiv, Ukraine. The first shipment arrived at the State Ukrainian Health Ministry Heart Institute in Kyiv on April 14. The second shipment was shared between the Heart Institute, the Center for Pediatric Cardiology & Cardiac Surgery Clinic for Children and the National Specialized Children's Hospital, which is the nation's largest children's hospital, on April 20. The third shipment is scheduled to follow soon, according to Roland Fernandes, general secretary of UMCOR who added "We multiply our own efforts and the generosity of our contributors when we engage in creative service partnerships."

Lena Denman, president of the Arlene Campbell Humanitarian Foundation, expressed appreciation of UMCOR for its role in the project. "The Foundation is honored to receive the support of the United Methodist Committee on Relief for efforts to provide medical supplies and medical equipment to the State Ukrainian Health Ministry Heart Institute in Kyiv, Ukraine," she said. "This hospital serves not only Kyiv, but also suburbs of Kyiv that have experienced mass atrocities. It was because of the support of UMCOR and its contributors that we were able to arrange transportation for these three shipments of vital medical supplies." "This is the biggest shipment we have ever had," said Dr. Vitaly Demyanchuk, deputy director of the State Ukrainian Health Ministry Heart Institute in Kyiv. "Every box contains useful supplies that give us the possibility of providing high quality medical care to our patients, for wounded individuals and others in our area. We thank all of the American people. Together we are strong." Items in the shipments include wound care/triage supplies, surgical kits and masks, examination gloves, mask respirators, varieties of hospital gowns, stethoscopes, sterile containers and basic medicine. 47 counties of the state.

As part of the General Board of Global Ministries, the mission and humanitarian assistance agency of The United Methodist Church, UMCOR provides relief and recovery response throughout the world. UMCOR is extensively engaged in services for refugees from Ukraine both inside Ukraine and beyond in the wake of the Russian invasion of late February 2022. To support UMCOR's continued efforts to offer immediate relief and long-term recovery for the war in Ukraine, make a gift to [Advance #982450](#). Snack Attack!

If you are ever around kids, you know how many snacks they can eat in one day, one week, one month! New Journey Community Outreach recognizes this need for snacks, for the children whose parents are served through the food pantry. Any donations of individually packed snack treats are greatly appreciated. Please drop them off at the Welcome Center or Church office throughout the month of May. We would love to help stock their snack pantry before the end of this school year. Thank you!

Coffee & Donut Holes Are Back!

We're bringing back the coffee and donut holes! West Lawn is seeking additional fellowship team members to provide hospitality services on Sunday mornings. If you are looking for a way to serve at WL, contact Kelly Rismiller to join this relationship building ministry opportunity. kelly@westlawnumc.org, 610-507-9141.

Recently, Western Berks Shepherding Ministry has had a big increase in new clients seeking transportation services. They are in need of new adult volunteers to drive clients to local medical appointments. Volunteers can choose when and where they wish to drive as well as how often. It is a great way to volunteer that is flexible, very little commitment and extremely rewarding!!!!

For more information, please contact 484-294-7394 or WesternBerksShepherding@gmail.com.

Safe Haven Lighthouse

Happy Spring from Safe Haven Lighthouse! In March the kids made Easter gnomes to take home. These gnomes were just a fun way of getting ready for Easter.

The next craft they made were bird feeders using suet and bright colored pipe cleaners to attract the birds. It was fun to see how different each kid made theirs. We are also practicing the Books of the New Testament. Miss Ruth is teaching them a song to remember the Books in order. Some of the kids sing the Books while reciting them to us. They are also having fun while doing this. We have also purchased building blocks with the Books of the Bible on them. This will help the kids remember them as they are playing.

In April Bonnie led them in a food craft, making resurrection rolls. The roll is the tomb, the marshmallow is the body, and the cinnamon sugar is the spices sprinkled on the body. After baking the body is gone and all that is left is the empty tomb. Just like Jesus' body was no longer in the tomb. We also made Earth Day planters using succulents. The kids each picked a container and also which succulent they wanted to use. They were able to take these home at the end of the day.

We continue to study the Bible Studies for Life curriculum and appreciate how much the kids know and are able to retain and participate in class. In May we will be taking several outdoor trips and hoping for nice weather.

Peace,
Lori Madara and Bonnie Rissmiller

Spring Blood Drive Update

The spring blood drive was held on Thursday, March 30 at the Community Center. We had a total of 51 donors registered and the Miller-Keystone team was able to collect 47 units of life-saving whole blood to supply to hospitals in our area. This drive not only shattered the goal of 40 units set by Miller-Keystone, it is also the most units obtained at a single drive in the 8 years that we have been co-coordinators.

We wish to extend a sincere thank you to all our donors for their dedicated support over this time span. We hope to see you at the fall drive on September 29th.

Barb Wenger, Eileen Williams, Coordinators

Attention Graduates!

If you or someone you know who is part of our church family is graduating this spring from high school, college, trade school or graduate school, please provide their name, school & degree, if applicable.

Submissions can be made via email to announcements@westlawnumc.org, phone at 610-678-5611 or at the Welcome Center.

Thank You...

Just a quick thank you to all the team members, and the office staff for the work you put into scheduling and promoting our spring blood drive. I was very pleased with the results (47 units) at a time when blood is so desperately needed in our area.

We have a new representative at Miller-Keystone (Samantha), and she was very impressed with not only our Community Center, but also the support and hospitality that our church provides to the blood center.

I know that WLUMC supports many missions, and each one is trying hard to get the attention and assistance of our church members, so thank you for the time and effort you take to bring these varied opportunities to the attention of our church families.

Eileen Williams

Dear WLUMC,
