

Your Bible Reading Plan

The One Story That Leads to Jesus reading plan will guide you through the entire Bible in one year. Each day, you'll read a few chapters—or occasionally skim through large genealogies or census sections—as you make your way from Genesis to Revelation.

Each day's reading features a psalm for you to meditate on through quiet reflection and prayer. By the end of the year, you'll have read through this entire book of biblical poetry more than twice.

Supplemental resources have been added from The Bible Project and from teachings at Restoration Church to help you better understand the passage you are reading.

Remember to:

- 1. Read.** You may want to include writing a journal as you go to remember your thoughts, questions, and feelings about the passages.
- 2. Ritualize.** Set aside time and space for this. This will likely mean you need to cut something out of your day to make room for this reading. Try to leave your phone if possible.
- 3. Resolve.** It will get tedious. It will get weird. Stick with it. It will be worth it.
- 4. Relish.** Enjoy this for all its worth. Soak it in and let the words, wisdom, and the overwhelming story do its part to change you as it needs to.

"I don't trust in Jesus because I trust the Bible. I trust the Bible because I trust in Jesus. I love him, and I've decided to follow him, so if he talks and acts as if the Bible is trustworthy, authoritative, good, helpful and powerful, I will too."
