Course Workload

In a 3-unit college class, it is expected that approximately 100+ hours of course work is involved. This includes the lectures time in class and homework. For a 16-week semester, this equals to about 6-hours of work per week, and depending on your reading speed, expect about 3 hours of homework per week. Most of this will be reading and posting on Google classroom. You also will be conducting research on your term papers.

The Lead Instructor may allow a weekly post to be skipped so that you can study for exams or do writing/research. Keep an eye out on Google for announcements!

For questions or clarifications, please email the Lead Instructor: lquintana@citychurchonline.org.
