

**7. SEND** people and resources to obey the Great Commission as God calls locally and globally.

Send Goals

A. Implement the Sending Church concept.

1. The objective of a Sending Church is to develop ambassadors of Christ to replicate leaders in spreading the gospel wherever God may send us.
2. Sending Church skills are developed through formal training and by example presented up-front and continually.
3. NRCC pledges to support believers during that transition when developing their ministry apart from NRCC by providing:
  - a. A public commissioning/anointing service.
  - b. Encouragement, guidance and support with prayer.
4. Provide access to ministry materials and links to helpful books, apps, Scripture, aids etc. via the NRCC website.

B. Offer Mission projects local, national and international.
