

### Our 3 Year Old Class Scope

This is a 3 day or a 4 day program. You have the option to register your child for either our Half Day or Full Day options as scheduled on the form. They will focus and learn the following academics and techniques during the school year.

Numbers 1-15 (recognizing, counting and writing)  
Letters A-Z (recognizing, phonemic awareness and writing)  
Name Recognition and Writing  
Shapes, Colors & Opposites  
Bible  
Classroom Structure  
Listening Skills and Social Skills  
Group Play - Centers  
Self Help Skills  
Large/Small Motor Skills  
Music & Finger Play, Literacy/Reading & Science

\* \* \* The 4 day class schedule will cover the same material with Tuesday acting as a review day for these students, still participating in all tasks. Repetition is very important at the age of 3 to help them retain the information that is being taught. It will also help them be more prepared for the 4 year old – PreK 1 curriculum the following year.

The Full Day class will also have a short time of Rest, Science Activities, Large/Small Group Activities & Free Play.
