Background Check

All World Partners team volunteers over the age of 18 and residing in the United States are required to have a criminal background check. These checks are only valid for one year, so you will be asked to sign a release online even if you have signed one in the past. Once your application has been processed you will receive an email invitation to complete and submit an online release form. A second email will follow with a temporary password. When you follow the link, you will enter your name, email, and "position" of volunteer. Follow the prompts to complete your release form. You will use your mouse to "sign" your name on the online form and your information will be sent directly to Active Screen Faith/Protect My Ministry, the company we use to run our background checks. They will alert me when your background check has been completed. You will not be contacted by World Partners regarding your completed background check unless there is a concern. Please initial to indicate you have read, understand, and agree to abide by these regulations. _____
